PCA Christian Before & Afterschool Care Program 2024-2025

Dear Parents,

In order to plan for the next school year, it would be helpful to us if you would indicate whether you will use our Before/After-School Program during the 2024-2025 school year. We provide supervised care until 6:00 PM each day, except for early dismissal days. Parents are required to have a Brightwheel account and a payment method on file for auto-payments PRIOR to child(ren) starting. Tuition for the extended day program will be paid weekly regardless if the child(ren) attended that week or not, there will be no discount for missed days/weeks. During the holidays when school is out, the tuition ate will be \$110 per child per week. If the child(ren) do NOT attend during the holidays, only their normal weekly tuition rate will be charged. If at any point in the year the parent decides to pull their child from the daycare, a 2 week written notice must be given or 2 week tuition payment.
